

**"ADIOS AMIGOS" CLAUDE A. RACE  
VISITATION FRIENDSHIP AWARD**

Claude A. Race was a dedicated American and a beloved comrade of The American Legion. Throughout Claude's life as a Legionnaire, he enjoyed sharing fellowship and warm hospitality with other Legionnaires. His most cherished activity was visiting, which won Claude the loyalty and friendship of Legionnaires throughout the state. Always, when departing, he exclaimed, "Adios Amigos". With this phrase in our hearts and mind, we established the "Adios Amigos Trophy" to be awarded annually to the Post within the State of Washington with the most active record of visitations, as a memorial to our departed comrade, Claude A. Race.

To be awarded to the Post with the most accumulative points.

The report and its attached supporting documentation must be submitted to Dept. HQ **Postmarked NLT JUNE 1st**, and will be judged by the Dept. Convention Trophies and Awards Committee.

Five points will be awarded for each visitation made to another Post within the **Department of Washington**.

One point will be awarded per 100 man miles, with the mileage computed by the most direct route to and from the Post visited, (E.g., if seven Legionnaires travel 100 miles round trip, the 700 man miles equals' seven points.)

Individuals making a visitation from a Post must be paid-up members and must sign the guest register of the Post visited.

Visitations shall be documented with a signed confirmation by the Commander or Adjutant of the Post visited, stating date, number of members visiting, the actual mileage traveled to and from the Post visited, and the total computed mileage. The confirmation forms to be used are enclosed, and may be reproduced locally.

Confirmation forms must be submitted with the report to be eligible for the award.

Total accumulated mileage is figured to the nearest 100 miles. Thus, 749 man miles counts for 700 man miles and 7 points, while 750 man miles counts for 800 man-miles and 8 points.

Visitations for consideration must be visits made in the State of Washington.

There are no limitations on how many visits are made to anyone Post, but each Visit must be documented.

Individuals who hold Department or District offices and are required to travel and make visitations due to the office are excluded from competition. The required report form and confirmation forms are enclosed on separate pages.
