

Greetings Comrades,

I hope this Adjutant's Blast finds you all well, I wanted to thank all of you whom shared your stories and efforts during the Veterans Day holiday along with your pictures and videos to our social media pages. The testament to how dedicated our American Legion family is resides in the outreach we provide, and seemingly our Department was busy doing just that this past week.

This week for your consumption;

1. The soon released commemorative coin information from the National treasury/mint can be found on the attached post card snap shots.

The Department currently has a limited number of post cards available for informative purposes if you would like us to order more for purposes of educating your members on this unique opportunity to own/support The Legions centennial please contact our membership coordinator Joey at membership@walegion.org.

Look for a special early addition of the Adjutant's Blast next week with a Special Thanksgiving message from your Department Commander

Enjoy your weekend

Leo R. Gruba
Department Adjutant

2019 American Legion 100th Anniversary Commemorative Coin Program

*Obverse
