## Junior Shooting Sports Report

Since Covid restrictions JSSP has not come back as well as we wanted. We have 11 affiliated clubs and two post clubs. Jr ROTC affiliated clubs are sponsored by a post from their area. There is things that each Post has to do in helping each club. I have not seen the list from National on any club from Washington involved at National Championship.

National has moved the Championship from Colorado Spring, CO to Hillsdale College in Michigan.

If Your Post has any questions about the Sport or any help Please call or email
