

The Post 34 Executive Board wishes to put forth Raymond S. Weber as a candidate for the District 12 Commander position.

Ray Weber has been a Legionnaire for thirteen (13) years, having first joined Post WA0110 in 2012 and then transferred to Post WA0034. He is a Legion PUFL and also a Life Member of Seabee Veterans of America, where he was charter member, secretary and treasurer of its Island X-7 until it was disbanded. He is currently a member of the Island X-6 Seabees in Spokane.

From August 1972 to August 1980 Ray served in the US Navy Construction Forces as a Utilitiesman. He received the Navy Achievement Medal in 1980 while stationed in Argentina, Newfoundland, and was a reservist until 1982.

Ray is the current Post 34 Commander and is highly regarded for his consistent and reliable performance in that office. He has actively sought input from officers and members and has been instrumental in leading the post through positive changes. He seeks input, listens well, weighs suggestions and options, and presents them for discussion and resolution to the E-Board and the membership in open and well managed meetings.

Ray has also served as Chairman of the Post 34 Building Committee from 2012 to 2014. He was again appointed Building Committee chair in 2022 and continued serving in that capacity concurrently with being elected Post Commander in 2023. He has volunteered many hours organizing and leading work crews to improve the post building facility by repairing and upgrading numerous aspects of its structure and infrastructure. The building now complies with and operates in accordance with all city and county health and safety codes and regulations.

We will appreciate having Ray Weber nominated as a candidate for District 12 Commander at the convention. We realize this is very late notice but hope you can help put his name forward.

Thank you very much and kind regards,
Steve
