5th District Commander nomination;  
Legionnaire Dan Halverson member No. 205491037

Commander Crittenden,

As a member of Cape Horn Post 122, Department of Washington I would like to put forward a nomination for the position of 5th District Commander 2024 – 2025 which will be voted on during the 5th District Spring Conference on 4 April 2024 at Post 176. I am nominating Legionnaire Dan Halverson, who is likewise a member of Cape Horn Post 122, Department of Washington, to be the next 5th District Commander for year 2024 - 2025.

Daniel Halverson is the current District Commander for the membership year 2023-2024, during which time he has consistently provided monthly training and information throughout the district and in person round table meeting monthly with few exceptions, moreover he has attended all Nation Department Advisory meetings and relayed pertinent information to the Post in the district. Daniel Halverson is a graduate of the Basic Legion College online course, Department of Washington American Legion College as well as a facilitator at Legion College and is a graduate of National Legion College – NALC 2022. It is my honor to nominate Legionnaire Dan Halverson for 5th District Commander for year 2024 – 2025.

Constitutional convention delegate nomination;  
Legionnaire Richard Branum member No. 203166646

Commander Crittenden,

As a member of Cape Horn Post 122, Department of Washington I would like to put forward a nomination for the upcoming Constitution Convention as presented by the National Department Advisory Committee (NDAC). The NDAC has made clear that two delegates from each district will be elected at the 2024 Spring Conference as representatives from each of the twelve districts within the Department of Washington. The NDAC has made it equally clear that these delegates should be of a mindset that is open to the point of view of others, as well as some experience with forming and following bylaws and constitution in their American Legion tenure. It is for the above reasons that I submit this nomination for delegate to the constitutional convention within the department of Washington 2024.

I am nominating Legionnaire Richard Branum, who is likewise a member of Cape Horn Post 122, Department of Washington, to fill one delegate position in the upcoming constitutional convention as a representative of the 5th District. As you know, Legionnaire Branum had experience in Post leadership, not the least of which was the position of commander which he held for eight plus years. Legionnaire Branum has presented leadership within the Post by leading by example whether he held a position or not. Legionnaire Branum has been a champion of the Post constitution as issues have come up and has shown repeatedly his unflinching belief and passion for following the governing documents even when it was difficult to convince others of the proper governance. Legionnaire Branum has proven his ability to be firm but fair with other members who had a had a differing opinion and has always showed a willingness to hear the point of view from others, even if seemed completely ridiculous. Legionnaire Branum has shown he can remain openminded, even tempered and approach issues logically and intelligently. In my view, Legionnaire Branum is exactly the type of delegate we need to stand for our district and help form our constitution and bylaws for the Department of Washington going forward.

It is my honor to nominate Legionnaire Rick Branum as delegate for the 2024 constitutional convention.

For God and Country,  
Daniel Halverson  
Member - Cape Horn Post 122, Department of Washington.
